

Ferndale Chapter No. 23 – April 2025

Hello sisters and brothers, here we are launching our first newsletter in a super long time. On March 8th some members traveled to Crescent City to present our sister Jean Galatioto her 50-year pin. The travel is about 100 miles up the coast and she was most appreciative that we came to their Masonic Center to present. She is a member that consolidated with Ferndale chapter from Del Norte. Her daughters were there to present the pin and award the certificate. I was unable to attend but was told it was a beautiful afternoon. We don't see those members as often as we would like but totally understand.

The 12th of March brought our stated meeting where we honored the Ruths of our district and our DGD Helene Nicholson. Who just happens to be our Ruth. Every month our WM and WP are honoring a star point. We didn't have much business to attend to, we discussed our WGM and WGP official visit next month. We are very much looking forward to it. Next month we will also be honoring Esther and the flowers Daisy and sweet peas. Dress is business professional. Refreshments at 6:45, meeting at 7:30

Until Next Time,
Always be Humble and Kind!
