

January 2025 – Humboldt Lodge

No. 79

Brethren,

Happy New Year to you all.

As your newly debunked Junior Past Master (turns out the gavel doesn't come with a cape), I want to thank you for a year filled with fellowship, ritual, charity, and brotherhood. It's been an honor serving alongside each of you—even if I still can't remember when to stand or sit in the East.

I'd be remiss if I didn't shine a spotlight on Brother William Lambo, despite his best efforts to avoid it. Brother Lambo continues his many years of dedicated service as our Secretary, keeping our charter in good standing while remaining nearly invisible. Your stealth skills are impressive, Brother Lambo, but we see you, and we deeply appreciate your ongoing commitment to our lodge.

On a less exciting note: if you are a signer on the lodge account, anticipate a call from the bank. Please make arrangements to sign your authorization cards as soon as possible. I promise it's less painful than a proficiency exam.

Fraternally yours,

Davin Bowerman, Junior Past Master (Emeritus of Confusion)
