Six Rivers Lodge No. 106 – August 2024

My Brothers and Friends,

Busy times here at Six Rivers #106. First of all we are doing a few degrees from First to Third. July 13th saw our annual Michael J. Vertar Memorial Outdoor degree at Wor. Steve Jacobs Estate in Fieldbrook. This year we Raised Br. Charlie Johnson to the degree of Master Mason; congratulations my Brother, we already have a place in the line prepared for you. Skipping ahead to August 27th, we will be Initiating a new brother at the Lodge starting at 7 PM. Mr. James R. Reid (Mitch) will be welcomed into Masonry and it is hoped his new Brothers -to-be will all attend.

A good time was had by all 22 Masons, their family and friends at our Lodge Crabs game and BBQ night on July 23rd. Tri-Tip steak was cooked by Br. Charlie Johnson, which was enjoyed by all; we even got free Crabs hats to honor the 80 years of Crabs baseball in Arcata. Our next big event will be the District wide Picnic in Fortuna on August 11th, starting at Noon. Come for the BBQ beef and stay for the good fellowship. Again this year, a chili cook off will be judged with prizes and everything! All chili is welcome. Please bring your specimens in a warming dish and they will be dealt with in a proper manner. Looking into September, we will be honoring our local First Responders with a BBQ dinner on September 11th at the Lodge. We are inviting the Arcata Police and McKinleyville Firefighters as well as our Lodge Brothers and families. On September 28th, We will be assisting Ca. Grand Lodge in placing two Corner Stones, one at Eureka High School starting at noon and the other in Blue Lake at their new Health Center starting at 3 PM. There is much to do and your help would be appreciated.

Thank you George Durfee, WM #106
